

REKA | MS 200 Hot melt Glue Gun

Let's keep
production
going!

The MS 200

- Suitable for sticks, granules and pillows
- Multiple nozzles and configurations
- Ready-to-use in 5 minutes

600 Watts | 250 ml capacity

It's ergonomic shape and an adjustable trigger enable the user to work comfortably, without fatigue. A 250 ml filling tank helps to reduce spillage and operators can be right or left-handed.

A magnetic foot means that the MS 200 stays exactly where you left it, provided your surface is magnetic. A wire stand is also provided for non-magnetic use.

A professional and flexible glue gun solution that's suitable for a host of production environments.
