

Hotmelt Adhesives

PACKAGING

InnoV8.2

Direct Food Contact approved

- **Multi-purpose Packaging Hotmelt**
- Odourless
- High speed case & carton sealing/tray forming
- Very high cohesion properties
- Extremely low density - more packages sealed using less adhesive

TECHNICAL DATA

APPLICATION	High speed packaging lines / nozzle
WORKING TEMPERATURE	150-180 ° c
COLOUR	White
SETTING TIME	0.5 - 1 second
ADHESIVE TYPE	Polyolefin
PRODUCT CODE	HMB 820020
PACK SIZE/PALLET QTY	20kg sack / 1000kgs / pallet
